

**DEPARTMENT OF SPORTS
2011 SUMMER CAMPS**

Parents/Guardians Newsletter

Dear Parents/Guardian,

Thank you for choosing the Department of Sport summer camp for your child's summer camp experience! **The Age Group for our Camps is 7-16 years old.**

We are certain that your child will have an awesome time; as our goal is to teach campers the fundamentals also develop their knowledge and skills in their sport of choice in a fun and friendly environment.

Like last summer we will be offering water and Gatorade so please remind your child to drink plenty of water before during and after camp. Please remember to have your child wear sports gear related to the specific sport such as t-shirts and shorts, sneakers and socks to camp each day (no sandals or slippers).

Most of our camps are held outdoors and the sun can get very hot at times, therefore we encourage you to apply sun block to your child each morning prior to dropping them off at the camp. Also please remind your child to keep personal belongings such as hand games, skateboards, iPods, and other toys at home.

It is **extremely important** that you **list any medical conditions** that your child suffers from on the registration form. Camp hours are from **8:30am to 12:00pm** and **camp opens at 8:00am** for early drop off. Please ensure you **collect your child by 12:15pm** each day as the **Dept of Sport nor any of it's employees/coaches will accept responsibility for campers before 8:00am and after 12:30pm.**

Thank you Parents/Guardians for your cooperation in assisting us with making this year's summer camps a success.

Sincerely,
Department of Sports
